

Business in a Post-Covid19 and Post-BREXIT World

As we end a difficult year for the local and UK economy, we would like to invite you to a virtual meeting with newly elected MP, and former Chief Operating Officer of Sky, Andrew Griffith, along with our local MP Claire Coutinho, to hear their views on the outlook for 2021 and beyond.

Claire Coutinho, MP for East Surrey

Andrew became group COO for Sky in March 2016, helping to grow the business to over 25 million customers, 39,000 employees and operating across seven different countries. Andrew has also been a non-executive director at Just Eat from 2014. When the company faced a turbulent time in 2017, he acted as interim Chairman and, as a result, was named The Sunday Times' non-executive director of the year in 2018.

Andrew Griffith, MP for Arundel and South Downs

The event will take place on Wednesday, 16th December 2020 at 5.00 pm using Zoom and is expected to last one hour. Logon details to follow.

There will be an opportunity to ask questions of both our speakers. If you wish to do so, please complete the details below and return as soon as possible, stating to whom you would like the question asked.

The event will be free to attend, however we would ask you to consider making a donation to our ESBC selected charity which for 2020 is The Institute of Cancer Research (see details below on making a donation). Suggested amount is £20 but any amount will be gratefully received.

The ICR has a mission to make the discoveries that defeat cancer. Their vision is of a world where people can live their lives free of cancer as a life-threatening disease.
