Dear Members

The Hazelwood School Governing Body is ultimately responsible for the oversight and strategic direction of the School. Good governance requires a Board with a broad range of skills and senior experience from the educational and other professional sectors such as law, accountancy, auditing, marketing, HR and general commerce.

In order to carry out effectively its duties, and as part of its own succession planning, the Governors keep a list of potential candidates to take over from current Board members as they complete their term of office. To help keep this list as broad, relevant and up to date as possible, the Governors would welcome applications and expressions of interest from those individuals with the requisite experience from within and outside the school community.

Whilst this invitation is open to current parents, the number of Parent Governors is necessarily limited. Applications from former parents and also from the broader community are especially welcome. If you would like to be considered, or know of someone who may be interested, then do feel free to contact me for further information. I can be contacted via the School Office or on chairman@hazelwoodschool.com

Yours sincerely

ANNABEL LARK
Chair of Governors
