

## Sky Wave Virtual Gin Tasting

Join us for a unique opportunity to hear from Rachel Hicks and Andrew Parsons, founders of Sky Wave Gin, and to taste their amazing range of gins.

Based in Oxfordshire, Sky Wave’s multi-award winning gin is at the pinnacle of craft distilling. Produced in small batches of never more than 450 bottles, this is as authentic as it gets.

*“Another wonderful event with the winner of the 2020 World’s Best Contemporary Gin! Rachel and Andy are such engaging storytellers with gin to die for!”*

For their London Dry gins, absolutely nothing is added after distillation - other than the finest Blenheim Palace natural mineral water. What comes off the still goes into the finished bottle with no adulteration. The purest possible gin; the perfection of the craft.

The event will be hosted by Andrew Parsons, The Master Distiller at Sky Wave Gin, and Rachel Hicks. Both are owners of Sky Wave Gin and Rachel’s background as a BBC TV presenter means the event should run smoothly and to time!

Each household attending will receive a Gin Tasting Box containing:

- 1 x Sky Wave Gin’s gift pack of three miniatures (50ml / double measure)
- 2 x Merchant’s Heart spirit mixers
- 1 x Garnishes for the perfect serve and 1 x Savoury nibbles
