

## Brooklands Museum and Hotel

East Surrey Business Club is pleased to announce a new event on Friday, 1<sup>st</sup> April 2022 at Brooklands, Weybridge.

The day will start at 11am with a one-hour guided tour of the Brooklands Museum – the motoring and aviation museum occupying part of the former motor-racing track built in 1907. There will be another hour of free time to revisit or explore any part of the museum.

After a short walk across to the four-star Brooklands Hotel, an afternoon tea will be served in a private room from approx. 1.15pm. We have the room for the rest of the afternoon and will be joined by a representative from the museum.

Finally, there will be time to drop in at Mercedes World – situated between the hotel and the museum. This has several exhibitions covering the history of the site and vehicles through the ages, including many privately owned vintage models, supercars and even formula one cars.
