Please join us for our ESBC Autumn Dinner which will be a particularly poignant evening as it will be the first event after the funeral of our Chairman, Les. While the sense of loss will still be great for many, he would have wanted us to carry on and we will use part of the evening to pay a tribute to Les.

Sir Kenneth Olisa is a British businessman and philanthropist. He is the first mixed heritage Lord Lieutenant of Greater London. He founded and led the AIM-listed technology merchant bank, Interregnum, and now leads Restoration Partners. Ken Olisa is Past Master of the Worshipful Company of Information Technologists and serves on several boards of philanthropic, educational and regulator organisations. Sir Kenneth with his wife, Julia, endowed the Olisa Library at Fitzwilliam College, Cambridge.

Sir Kenneth is a much sought after speaker and his views and perspectives are always worth hearing.

We are looking forward to a thought provoking, amusing and, at times, emotional event. We hope you can be with us to listen to Sir Kenneth and remember Les.

If you would like to attend the ESBC Autumn Dinner, please send an email confirmation to Michael Kelly at camswell@gmail.com, together with the name of attendees and of any guests. Please also add any dietary requirements.
